

2022 Scholarship Application

Scholarships Up To \$1,000 Each to be Awarded in the Following Fields:

Engineering (Civil, Geotechnical, Structural, Electrical, Environmental, Construction and Mechanical), and Land Surveying

**The City of San Diego – Engineering & Capital Projects (E&CP)
Department
&
American Council of Engineering Companies
California, San Diego Chapter (ACEC-SD)**

2022 Scholarship Undergraduate Application Criteria

Scholarships in amounts of up to \$1,000 each are being offered. The dollar amount of individual awards will depend upon review of application.

All college level applicants must be attending a community college or university within San Diego County and have a declared major in one of the following fields: civil, geotechnical, structural, electrical, environmental, or mechanical engineering, or land surveying. The university must be an ABET and/or ACCE accredited institution (not required for community colleges). A minimum grade point average of 3.0 is required and college/university transcripts are required.

Deadline: Applications Must Be Submitted On or Before June 19, 2022.

A. Eligibility

Applicant must meet the following to be eligible to apply for this scholarship:

1. Be a college level sophomore, junior, or senior attending a community college or university within San Diego County.
2. Junior and senior level applicants MUST have at least one full academic year of course work remaining (a minimum of 24 units) in Fall 2022 term and must not be scheduled to graduate prior to the Spring 2023 term.
3. Enrolled in a minimum of 12 units per term (semester or quarter).
4. Pursuing a degree in the fields of civil, geotechnical, structural, electrical, environmental, construction or mechanical engineering, or demonstrating enrollment in accredited institution taking land surveying courses for the purpose of pursuing a position in land surveying.

The following individuals are not eligible to apply:

1. Current or previous City of San Diego employees.
2. Immediate family members of the current City of San Diego Engineering & Capital Projects Scholarship Committee selection panel and the City of San Diego Engineering & Capital Projects Engineering management team (i.e. daughter, son, sister, brother).
3. Prior recipients of this scholarship.

B. Requirements

1. Applicant is responsible for ensuring that all of the following items are submitted as **one packet** and postmarked by **June 19, 2022**:
 - a. Completed and signed application.
 - b. One Personal Reference Sheet: Completed by a school faculty member, counselor, work supervisor, community representative, or other person not directly related to the applicant.
 - c. Transcripts showing grades and courses (unofficial copy is acceptable).
2. Incomplete applications will not be considered.
3. Students must be available to attend an awards ceremony in the fall.

C. Awards

1. Scholarships may be a maximum of \$1,000 per student (dollar amount of individual awards will depend upon review of each application).
2. Applications will be reviewed, and recipients will be selected by the E&CP/ACEC-SD Scholarship Committee, with consideration of the applicant's grades, extracurricular activities, employment experience, and reference forms.
3. Scholarships will be awarded in Fall 2022.

D. Application

1. Send complete application packet postmarked by **June 19, 2022** to:

City of San Diego, Engineering & Capital Projects

Department

525 B Street, Suite 600

San Diego, CA 92101

Attention: Sara McMullen

OR

Submit electronically via email no later than **5:00 P.M. PDT on June 19, 2022 to:**

SSMcMullen@sandiego.gov

For additional information and/or copies of this application, please email SSMcMullen@sandiego.gov.

II. Scholastic Information

A. Provide names, city, and state of community colleges and/or universities you have attended or are currently attending, **beginning with the most recent first**. Indicate month and year of graduation.

<u>Institution</u>	<u>Attendance (from/to)</u>	<u>Major</u>	<u>Date of Graduation/Anticipated Graduation</u>
1. _____			
Check one:		<input type="checkbox"/> 2 Year Program	<input type="checkbox"/> 4 / 5 Year Program
2. _____			
Check one:		<input type="checkbox"/> 2 Year Program	<input type="checkbox"/> 4 / 5 Year Program
3. _____			
Check one:		<input type="checkbox"/> 2 Year Program	<input type="checkbox"/> 4 / 5 Year Program

B. Current status: Freshman Sophomore Junior Senior
